VOLUME 2. MARYVILLE, MISSOURI, THURSDAY, NOV. 23, 1911. NO. 148.

WILL RECEIVE BIDS

UNCLE SAM IS READY TO COMMENCE OPERATIONS.

MUST BE IN BY JAN. 3

The Drawings and Specifications Have Not Yet Been Received Here, But Are Expected Soon.

Within the next few months work will probably commence on the new $75,000 postoffice building for Maryville, to be located at the corner of Main and Fifth streets, as Postmaster S. R. Beech received Thursday morning notice that sealed proposals on the building had to be in by January 3, and that the awarding of the contract for the construction would be let soon after. The notice was from James Knox Taylor, supervising architect of the treasury department at Washington. It is as follows:

"Treasury Department, Office of the Supervising Architect, Washington, D. C., Nov. 20, 1911.—Sealed proposals will be received up to 3 o'clock p. m. on January 3, 1912, for the construction (complete, including plumbing, gas piping, heating apparatus, electric conduits, wiring and lighting fixtures) of the United States postoffice at Maryville.

"The building is to be one story high and basement, and the ground area will contain approximately 4,900 square feet. To be fireproof first floor, stone facing and tin roof. Drawings and specifications may be obtained from Postmaster Beech or at the office in Washington, at the discretion of the supervising architect."

Postmaster Beech said Thursday that he had not as yet received the drawings or specifications, but thought he would get them within the next week or so. Mr. Beech said further that the department advertising for bids means that work will start before long. The awarding of the contract will probably not be made before spring, and then the work will commence."

CATTLE WORTH $72,000,000.

At Last Census Missouri Had 2,556,460 Head of Cattle.

Washington, D. C., Nov. 22.—A preliminary statement of the cattle on farms in the United States, as prepared for the thirteenth census, shows 61,225,791 head reported and valued at $1,484,890,000. The total number of head of cattle is divided into 20,580,845 dairy cattle, 7,757,935 calves and 32,887,011 in all other classes.

The west north central division, including Minnesota, Iowa, Missouri, North and South Dakota, Nebraska and Kansas, has 17,665,090 head of cattle, twice as much as any other division, valued at $449,218,000.

The table showing the standing of Missouri and its neighbors in this division is as follows:

States—	Value.	Number.
Minnesota	$ 50,364,000	2,345,724
Iowa	118,991,000	4,468,422
Missouri	72,732,000	2,556,420
North Dakota	17,727,000	745,181
South Dakota	36,189,000	1,532 751
Nebraska	73,049,000	2,931,255
Kansas	80,184,000	3,066,337

Funeral Held Wednesday.

The funeral services of Charles Saunders, the blind musician, who died at Maryville Monday forenoon, was held at the Christian church at Burlington Junction Wednesday morning, conducted by Rev. W. H. Rust. Burial took place at Dawsonville, the deceased's old home.

The life of Mr. Saunders has been an unusual one, from the fact that, though almost helpless from the loss of his sight, he has amassed considerable property by his own efforts. He has sold music all over the United States and in Canada and had invested his earnings in real estate in Burlington Junction and vicinity. This has grown in value since he purchased it.

Mr. Saunders had been married three times, and his last wife, who is also blind, and six children survive him.

We were fortunate in securing a good deal in toy express wagons and we are going to sell them the same way, and give our customers the advantage of this deal.

Come in and pick your choice before the lot is broken.

Wagons from 10c to $3.50.

RAISE FUND FOR WIDOW.

Lost Home and Family Possessions in Fire Last Friday at the Junction.

Over $200 has been raised by public subscription for Mrs. Grace Cadwell, a widow, who lost all her worldly possessions in a fire that destroyed the house in which she was living at Burlington Junction last Friday afternoon. The money will be used to erect and furnish a two-room cottage, which will be donated to her when completed.

Mrs. Caldwell has four small children who are dependent on her for support. She does washing about town and is compelled to be away from home every day to earn sufficient means to keep the wolf from the door. At the time the fire was discovered at her home she was engaged at laundry work at the J. H. Sewell home, and the flames had gained such headway that the household furniture and the family's clothing were burned.

When citizens learned of her condition they made up a subscription paper and purse strings were loosened to help the good cause. When the amount reached $200 it was decided to give the widow a home, and work was begun today on a cottage for her. Several are donating their work, and the material for the structure is being furnished by Burlington Junction merchants free of charge, or at actual cost.

CHRISTMAS GOODS DISPLAY.

Chafing Dishes and Percolaters in Nickel and Copper Goods Are Indeed Beautiful.

It will do anyone good in search of beautiful Christmas presents to visit the hardware store of Campbell & Clark and see their display of Rochester ware in almost every conceivable device for cooking and serving.

The display they have of chafing dish sets, percolaters, baking dishes of every kind is the largest and most complete that has been shown in our city, and would do credit to Kansas City or St. Louis. It is not possible to go into detail and tell of the beautiful wrought patterns in nickel, copper and brass, but two are worthy of especial mention. The nickel plated chafing dish set is on a solid mahogany platter with bottom of silk tapestry overlaid with plate glass. The fork and spoons have ebonized handles Another set is of copper with Circassian walnut tray with tapestry bottom, also overlaid with plate glass. Another tray has a bottom of Japanese leather overlaid with plate glass.

It is not possible to describe the beauty of workmanship of all these useful articles, but it will pay the women of Maryville to visit the store and see them, whether they intend to purchase or not.

THE SECRET IS OUT.

Why the Burlington Depot is So Far From Town.

Coming uptown on the bus from the Burlington depot Wednesday was a new traveling man. He asked how far it was uptown, and was told the distance, "One mile to the square."

"Well," he said, "this is just like another town I was in the other day—the town away off from the depot—when somebody asked what on earth they ever built the depot so far from town for, when it made things so everlastingly inconvenient for the traveling public. Then a man spoke up and said he supposed it was because they wanted to put the depot as near the railroad as possible.'

It is perfectly plain now why the Burlington depot is so far from town.

WORKING ON COALING STATION.

Great Western is to Put in a $15,000 Plant at Conception Junction.

Work was commenced Tuesday on the Great Western railway coaling station at Conception Junction. The plant is to have a capacity of 100 tons and will be mechanically operated.

Self-registering scales will weigh out of the bins all coal used on engines, and this will give a check on every fireman, designating how much coal is used on every run by every engine.

The plant at Conception Junction is to cost $15,000. Several other improvements are to be made at the junction by the Great Western, as it is the division point on that line.

Work will commence in a few days, it is thought, on the track connecting the Great Western with the Wabash at that place. It is thought that some traffic arrangement will be made between the two roads, such as a Great Western-Wabash train between St. Joseph and Omaha.

To Hold Chapel Exercises.

The first chapel exercises of the Business college will be held Friday morning in the auditorium at 9:30 o'clock. Rev. C. J. Miller, pastor of the Christian church, will make an address. The public is cordially invited to attend.

Mr. and Mrs. Joseph Baker of Barnard were in the city Thursday.

BAND MONEY RAISED

SERIES OF CONCERTS NEXT SUMMER IS NOW ASSURED.

PROF. CADY TO INSTRUCT

Over $800 Has Been Pledged and Balance is in Sight—Will Start Practice December First.

Maryville is now assured of having a men's band under the direction of Prof. Donald Cady of St. Joseph.

The committee appointed to solicit funds from our merchants to the amount of $900, to insure the establishment of a good band for our city is meeting with success and up to date has raised over $800 of the amount, and the balance of it is in sight. The committee wishes to thank the business men for the cheerful and generous response they have made.

Mr. Cady was notified Wednesday evening by phone message that his services would be needed in this city, and he will arrive here some time near the first of the year, or as soon as he can close his business matters in St. Joseph, where he has been engaged for some time. The members of the band will begin practice about the first of December, in order to be ready for their leader when he arrives.

Open air concerts are now assured for Maryville, beginning May 1 and continuing through the summer to October 1, and through October should the weather permit. We will now have music for every occasion where music is needed.

News of Society and Womens' Clubs

Social at Business College.

A social will be given at the Business college on Friday evening, and everybody is invited.

Ladies' Aid Society to Meet.

The Ladies' Aid society of the M. E. church, South, will meet Friday afternoon at 2:30 o'clock at the home of Mrs. John Rickman, on South Walnut street.

Getting Ready for Christmas.

The ladies of the First Christian church are holding an all-day session Thursday in the parlors of the church, getting ready for their Christmas bazaar, to be held in December.

Wednesday's Dinner Guests.

Mr. and Mrs. A. T. Stephenson entertained with a dinner Wednesday, their guests including Mrs. E. B. Sheldon, and her guest, Mrs. Jesse Perdew of Hutchinson, Kan., and Mrs. W. C. Irwin of Chicago, who is visiting her son and his wife, Mr. and Mrs. Harry Irwin.

Presbyterian Ladies, Attention!

Mrs. Fred Kurtz wishes all the ladies of the First Presbyterian church of this city to meet at her home Friday afternoon for the purpose of making over and mending clothing for the poor. She wishes all to bring clothing that is repairable with them, so that all may work together and accomplish as much as possible for that day.

Their Wedding Anniversary.

Mr. and Mrs. O. L. Holmes were pleasantly surprised Wednesday evening by a company of their friends coming in to spend the evening with them, having learned that it was the twenty-third anniversary of their wedding. The visitors brought refreshments with them and the evening was spent in games and social converse. Those present were Mr. and Mrs. R. L. McDougal, Mr. and Mrs. O. W. Swinford, Mr. and Mrs. R. H. Duncan, Mr. and Mrs. Robinson Craven, Mr. and Mrs. J. E. Melvin, Mr. and Mrs. G. B. Holmes and daughter, Lucile; Mr. and Mrs. Anderson Craig, Mr. and Mrs. J. Ed Costello, Mr. and Mrs. J. F. Cook, Mrs. Gallatin Craig and son and daughter, Albert and Miss Laura Craig, Mr. and Mrs. J. H. Eckles and Mr. and Mrs. R. A. Strawbridge.

Prayer Meeting Attendants Feasted.

Professor Victor I. Moore, who recently succeeded Mr. R. C. Seal as superintendent of the M. E. church, South, Sunday school, entertained the teachers of the school with a luncheon in the pastor's study Wednesday evening after prayer meeting, when they gathered for the usual weekly study of the Sunday school lesson, which is conducted by Prof. Moore. All those who were present at the prayer meeting were invited to remain for study with the teachers and to partake of luncheon which Mr. Moore prepared for them. The teachers are: President H. K. Taylor, R. G. Allen, Frank Mathis, Mrs. Del Thompson, Miss Eva Ashford and Mrs. M. F. Humber. The others present were: J. T. Muntz, H. O. Smith, Mr. and Mrs. Raymond Barray and son, Fred Truitt, L. P. Colvin, Mrs. E. B. Sheldon, Miss Maud Sheldon, Rev. and Mrs. W. J. Parvin, Mrs. Calista Dawson, Miss Eva Dawson, Miss McDonald, Miss Maud Tarpley, Misses Mary and Susie Allen, Miss Mary Abshire and Julian Parvin.

Guests at Condon Home.

Mrs. B. E. Condon and her daughters, Misses Gertrude and Georgia Condon, entertained at dinner Wednesday evening Miss Clara Kalterman and her sister, Mrs. James Price of Kansas City, who is visiting her this week. The day was the birthday anniversary of Mrs. Condon's youngest daughter, Ora May, and two of her little friends, Ruth and Paul Miller, were also guests at the dinner. Miss Kalterman will leave in a few days for her new home in Kansas City.

Bazaar Opened Finely.

The bazaar by the ladies of the First M. E. church had a very successful opening Thursday, and is being largely patronized. The booths are as handsome and attractive as in former years, and the display of hand-painted china by Miss Anna Dooley in the ice cream booth, presided over by Mrs. J. C. Allender, and that of Miss Dora Carpenter, which is displayed in the fancy work booth, is attracting much attention. The bazaar is to continue until Friday, when it will close with an entertainment.

Dinner for Colorado Guest.

Mr. and Mrs. Bruce Montgomery entertained with a five-course dinner Wednesday evening in compliment to their aunt, Mrs. J. Wesley Jones of Loveland, Col., who has been the guest of her sisters-in-law, Mrs. J. F. Montgomery and Mrs. M. M. Rittenour, the past two weeks. Those present were Mrs. Jones, Mr. and Mrs. J. F. Montgomery, Mr. and Mrs. T. L. Wadley. Mrs. Jones left for her home Thursday morning, accompanied by her mother-in-law, Mrs. Rachel Jones, who will spend a year with four of her children who live in Colorado.

C. W. B. M. Missionary Tea.

One hundred guests were received at the missionary tea and reception given Wednesday afternoon by the ladies of the auxiliaries of the C. W. B. M. of the First Christian Church at the home of Mrs. Charles T. Bell. The guests were received in the reception hall by Mrs. M. G. Tate and Mrs. James B. Robinson. Those in the line in the parlors to greet the guests were the hostess, Mrs. Charles T. Bell, Mrs. J. D. Frank, president of the C. W. B. M.; Mrs. Claude J. Miller, wife of the pastor of the church, and Mrs. J. S. Shinabargar, president of the Young Ladies' Mission Circle. All of the rooms of the home were decorated in ferns, and in the dinning room, where ice cream and cake were served, chrysanthemums were used for decorating. Mrs. J. R. Brink and Mrs. W. W. Glass poured tea in the library and were assisted by Mrs. Harry Irwin, Mrs. Lafe Allender and Mrs. F. P. Robinson. Those serving in the dining room were Mrs. Arch Frank, Mrs. Frank Garrett and Miss Nellie Douglass. Music was furnished throughout the afternoon on Mrs. Bell's victrola. Others assisting in the entertaining were Mrs. G. B. Roseberry, Mrs. R. L. McDougal, Mrs. F. P. Reuillard, Mrs. G. L. Wilfley, Mrs. O. W. Swinford, Mrs. Harry Shipps, Mrs. F. L. Flint, Mrs. M. T. Henderson, Mrs. A. T. Fisher, Mrs. Robert Lyle, Mrs. J. W. Ray, Mrs. W. A. Miller, Mrs. J. D. Richey, Mrs. A. C. Hopkins, Mrs. A. J. Anderson.

RAILROAD WON SUIT

FITE AND M'CLAIN VS. C., B. & Q. WAS ON TRIAL THURSDAY.

HAY AND RACKS BURNED

Sparks From Locomotive Alleged to Have Caused Fire, and $60 Damages Are Wanted.

The case of W. A. Fite and Frank McClain vs. the Burlington railroad was on trial Thursday, and went to the jury at 3 o'clock this afternoon. They are suing the Burlington for $60 damages, alleging that a spark from a Burlington locomotive set fire to two tons and a half of hay and some hay racks that were in the Burlington yards here, totally destroying the hay and racks. The case came to circuit court from the justice court, where the defendants won the case.

The jury in the case is composed of Joseph Voelker, Mack Moore, James Smith, Mike Lahr, H. E. Wright, Ed Hamlin, John Lorence, L. P. Colvin, Robert Hantz, John Vert, William Jones and W. W. Jones.

The jury in the case, after being out a short time, brought in a verdict just before going to press this afternoon for the defendant, or the railroad company.

In the case of Lawrence F. Growney vs. the Wabash, tried Wednesday afternoon, the jury brought in a verdict in favor of the defendant as to both counts of the petition.

A motion for a change of venue was asked by the plaintiffs in the case of Joseph C. and W. H. Brown vs. S. B. Hayzlett.

L. P. Colvin was made a member of the petit jury in place of James Goodwin, who was excused by the court.

LAST YEAR'S OVERCOAT

WAS A BIG SALE.

Good Prices Received at the Ramey & Blagg Public Sale Held Wednesday.

The public stock sale of Arthur Ramey and James Blagg was held Wednesday at the James Blagg farm, nine miles south of the city, and was one of the largest sales for years, as the total price received was $8,390. The sale Wednesday was the second one Ramey has had this year, and with the first one and the one Wednesday the total amount received was $16,000.

There were 265 head of cattle, 100 head of hogs and several head of horses and mules sold. From 14 head of 2-year-old heifers an average of $48.50 was received; from 40 heifer calves an average price of $17.25; from 40 steer calves an average of $20; from 16 2-year-old heifers an average of $35.75; from 22 yearling steers an average of $28.25; from 40 yearling heifers an average of $26 and from 33 feeder cows an average of $38.50.

Several stockers and milkers in single lots and bunches were sold at good prices. A pair of 2-year-old mules brought $370. Thirty gilt hogs sold for an average of $11.50.

R. P. Hosmer was the auctioneer and Joseph Jackson, Jr., was the clerk of the sale.

DR. CRAIG'S BABY DEAD.

Body Will Be Brought to Maryville Thursday Night for Burial in Miriam Cemetery.

Donald, the 5-year-old son of Dr. and Mrs. Arthur S. Craig of Kansas City, died at their home in Kansas City, Thursday morning at 3:30 o'clock. The body will be brought to Maryville Thursday night and taken to the home of Dr. Craig's parents, Mr. and Mrs. Anderson Craig, on Lawn avenue, to await burial, which will be about 10 o'clock Friday morning, in Miriam cemetery, by the side of the body of Dr. and Mrs. Craig's 1-year-old daughter, Mary Etta, who died in Maryville about three years ago, during their residence in this city. The death of their baby boy has been expected, as he has been afflicted with paralysis of the lower limbs since birth.

COX FUNERAL SERVICES FRIDAY.

Will Be Conducted at Myrtle Tree Church by Rev. Lee Harrel of This City.

The funeral services for the late Mrs. Benoni F. Cox, who died suddenly Wednesday forenoon at her home, eight miles northeast of the city, will be held Friday afternoon at 1 o'clock at the Myrtle Tree church, northeast of the city. The services will be conducted by Rev. Lee Harrel of the First Baptist church of this city.

Perry's Second Boy.

Mr. and Mrs. G. O. Perry are rejoicing over the arrival of a fine son at their home, on West Carpenter street, at an early hour this morning. The little fellow is a perfect picture of health, and Mrs. Perry is reported doing nicely. This makes three children, two sons and a daughter, and G. O. claims rightfully that he has reason for being the happiest man in town today.—Moberly Daily Monitor.

Mr. Perry is a former young Maryville business man, now prospering in Moberly as a banker, and is the live president of the Commercial club of that place. Mr. Perry's oldest son is named for George F. Woodworth of this city, secretary of the Standard Poland-China Record association.

Moving to Arkansas.

Mrs. O. M. Anderson and her two little daughters, who have been making their home in Burlington Junction, spent Wednesday in Maryville with her uncle and aunt, Mr. and Mrs. John Kirch, and family. They went to Arkoe Thursday morning to visit awhile with Mrs. Anderson's father, John Baumle, and family, accompanied by Miss Frieda Metzgar, who lives with her uncle, Mr. Baumle, and had also been visiting in Maryville with the Kirch family. Mrs. Anderson will soon meet her husband in their new home at Mountain Home, Ark., where he located on a farm a month ago and is erecting a new residence, which will be ready for their occupancy.

FROM TWO SCHOOLS

MISSOURI AND KANSAS COLLEGES SEND REPRESENTATIVES HERE.

TO INSPECT FINE STOCK

Prize Winners at American Royal Come For More Experience Preparatory to Trying at Chicago.

A party of seven students of the department of animal husbandry of the University of Missouri agricultural school at Columbia, headed by Prof. E. A. Trowbridge of that department, arrived in Maryville Wednesday night, and on Thursday noon a party of eight students from the Kansas State Agricultural school at Manhattan, headed by Prof. T. G. Patterson of that school, arrived on the Burlington and the party will spend two days around Maryville as guests of our fine stock breeders.

The purpose of their visit to Maryville is to acquaint them in the work of practical stock judging, as several members of the party, both from Missouri and Kansas, will go to Chicago in the first part of next month to compete in the live stock judging contests in the international live stock show.

The two delegations were the guests on Thursday of Mr. Charles D. Bellows and his brother, Mr. George P. Bellows, the widely known Shorthorn breeders, at their farms, southwest of the city, where their Shorthorn herd was inspected by the students.

Luncheon was served at noon at Parkdale, the home of Mr. Charles D. Bellows, and they will be entertained at dinner this evening by Bellows Brothers at the Methodist church bazaar.

On Friday the visitors will visit the farms of W. W. Andrews and Omar Catterson & Son, breeders of Aberdeen-Angus cattle, and of J. F. Reedofson, breeder of Percheron and standard horses, and their stock will also be inspected and judged.

Mr. and Mrs. Hal Catterson will entertain the party at their home, on South Main street, at luncheon Friday noon, and Mr. and Mrs. Hal R. Catterson will entertain them at dinner Friday evening at the Catterson farm, north of the city.

The Missouri agricultural school won the championship last year in judging stock at the Chicago show, competing against seven state universities, in individual and class records, for which they received $1,000 in premiums. Prof. Trowbridge, who heads the Missouri delegation now in this city, coached the team that won the prizes for judging at the international show last year. The students who are now with him on his visit to Maryville, won first prize in the judging contest at the American Royal stock show in Kansas City in October.

The Missouri delegation is composed of Prof. Trowbridge, W. T. Wassel, J. T. Lipp, H. L. Hale, T. R. Haden, W. Cramer, E. C. King and H. F. Williams.

The Kansas delegation is composed of Prof. Patterson, A. M. Patterson, R. Laflin, E. L. Wickham, H. Smith, R. Doddridge, L. Fowler, H. P. Wood and George Kirkpatrick.

Mrs. Nellie Morgan and daughter, Gertrude, of St. Joseph, who have been visiting her parents, Mr. and Mrs. David Housel, went to Lenox, Ia., Thursday to visit Mrs. May Tuck.

THE GAS SUPPLY IS FAILING

PROF. HAWORTH'S REPORT INTERESTS ALL USERS.

Supply Will Be Gone in Three Years Uuless Factories Are Cut Off Throughout Field.

Kansas City, Nov. 23.—Two or three years more of natural gas—that is all Kansas City may expect to have, under the present conditions of use. If gas for factory use is cut off entirely throughout the territory supplied, there may be gas for seven years more for domestic use in Kansas City.

The foregoing is the substance of an exhaustive report regarding the conditions in what is known as the Mid-Continent gas field, the territory from which Kansas City draws its supply. The report was made by Prof. Erasmus Haworth, state geologist of Kansas, after months of investigation. Accompanying the report are figures on each pressure and volume showing a tremendous rate of deterioration in the gas "pools" in all the districts of Kansas and Oklahoma.

If Kansas City would take advantage of a longer use of gas than three years it will be necessary to stop the use of boiler gas. The gas company last summer announced that it would stop the use of boiler gas and give it all for domestic consumption if Kansas City would accept a raae of 25 cents a thousand. The company asserted that it was forced to sell cheap boiler gas to get enough money to pay its obligations. The consumption at 25 cents was not great enough to meet its demand for money.

ELECTED WOMAN POSTMISTRESS

Miss Abbott, at LeRoy, Kansas, Defeats Her Male Opponent, 554 to 71.

Le Roy, Kan., Nov. 23—Miss Esther M. Abbot was elected postmaster of Le Roy by an overwhelming majority. She was given 554 votes to 71 for her opponent, O. C. Kersey. Men and women of all parties, patrons of the office, were permitted to vote and Fred S. Jackson, representative from the Fourth district, who devised the plan for allowing the people to name their own postmaster, supervised the election. It is said that the election was the first of its kind ever held, although postmaster primaries often have been suggested.

To Build an Oil Refinery.

Independence, Kan. Nov. 23.—The Gulf Pineline company announced here that it will at once begin constructing a 6-inch pipeline from its main station at Saltillo, Tex., to Fort Worth, 123 miles. The company also will begin the erection of a refinery at Fort Worth with a capacity of 5,000 barrels a day, according to the announcement.

Mexicans Stoned a Club.

El Paso, Tex., Nov. 23.—The Foreign club at Chihuahua was stoned by a mob in the celebration of the anniversary of Madero's revolution. The library window was broken by bricks, which fell among several members of the club sitting in the room at the time.

Snow Came With Lightning.

Atchison, Kan., Nov. 23.—A severe electrical storm, preceded by a light snow, raged for two hours over Northeastern Kansas. The lightning was intense and was accompanied by heavy peals of thunder. It is reported that two barns north of Atchison were struck by lightning and burned.

Held for a Kansas Murder.

Durango, Col., Nov. 23.—Watt Saltin, wanted for murder in Independence, Kan., and for whose capture $50 had been offered, is under arrest here awaiting the arrival of Kansas authorities.

CHANGE IN COLOR OF EYES

By No Means Uncommon, and Easily Accounted For, According to Surgeon.

The possibility of a man's eyes changing as the result of mental shock or physical ill treatment was the subject of an interesting discussion by a number of surgeons in the eye ward of one of the great London hospitals.

One of the surgeons stated: "It is common knowledge that great physical hardships may suddenly turn the hair white. The loss of color here follows on certain chemical changes, due to disturbances of nutrition, taking place in the tiny particles of coloring matter which give the hair its color.

"All infants at birth have blue eyes. In some babies, immediately after birth, pigment granules begin to develop in the iris. Thus they become brown or black eyed. In others, however, no such pigment formation takes place, and the eyes remain blue or gray throughout life.

"If this at present blue-eyed ex-convict is really the missing brown-eyed banker, a reasonable explanation of the discrepancy in the eye colorings would be that under the stress of physical and mental shock the coloring matter which had in early life developed in each iris had atrophied or disappeared, leaving the eyes the original blue coloring present at birth."

MADE ALL THE DIFFERENCE

Mr. Newlywed Equal to Fine Distinction Between His "Cherub" and Neighbor's "Brat."

"Our likes and dislikes are guided by the personal equation—whatever that is," commented the bachelor.

"Indeed?" queried the suffragette.

"Yes; the property we buy at a real estate forced sale is always the highest and driest, while the other fellow's property, we are willing to swear, is under water."

"Are you getting ready to argue?"

"No, I'm still unmarried. But I wanted to show how different we all feel about ourselves and our property from other people and their property. You know, I have a room in a flat with a young married couple. I have one there so that I can observe the marital—or is it marital?—existence. A couple of months ago the stork brought them a baby."

"A boy or a girl?" asked the suffragette revealing a spark of womanhood; then she added, quickly, "but never mind; it will be a voter, anyway, some day."

"On the floor below us is another baby," went on the Bachelor. "The other day the quiet of the house was disturbed by lusty yelling.

"'Is that our little cherub crying?' asked the mother.

"'No,' the father answered; 'it's the brat downstairs.'"

Couldn't Escape.

He was one of those timid, tiny-toned chaps who become enamored by mistake, and live in perpetual fear of a pending engagement ring. He himself had become enamored of a sweet and soulful maiden, whose languishing expression tore him between delight and fear.

At the conclusion of his first "call" she asked:

"When are you coming again, dear?"

He seized the wrong hat from the rack in his confusion.

"Er—what about some time next week?" he hazarded.

A look of disappointment came into the fair one's eyes.

"Next week?" she said. "Yes, that will do lovely! Come round tomorrow night, dear, and we'll decide definitely upon the day."—Answers.

Twin Gods of War and Melody.

How do statesmen get themselves into the frame of mind to declare war? According to a popular German story the method in Bismarck's case in 1866 was one that would hardly be suspected. His subordinate Kendell was an expert pianist, and Sir Mountstuart Grant Duff put it, "used, it is said, to fulfill toward him the function which David fulfilled toward Saul." On one evening Bismarck was unusually moody and Kendell surpassed himself at the piano. "Thank you, my dear Kendell," said Bismarck finally, "you have soothed me and done me so much good; my mind is made up; we shall declare war against Austria."

Wall Colors and Light.

In painting or papering the walls of a room the question often arises what color reflects the most and what the least light? Recent experiments in Germany gave the following results: Dark blue reflects 6½ per cent. of the light falling upon it; dark green, about 10 per cent.; pale red, a little more than 10 per cent.; dark yellow, 20 per cent.; pale blue, 30 per cent.; pale yellow, 40 per cent.; pale green, 46½ per cent.; pale orange, nearly 55 per cent.; pale white, 70 per cent. Glossiness and varnish increase the amount of light reflected.—Harper's Weekly.

Primitive Reasoning.

"Did you sell your vote?"

"No, siree. I voted for that feller 'cause I liked him."

"But I understand he gave you $10."

"Well, when a man gives you $10 'taint no more'n natural to like him, is it?"

"Look at that famous surgeon at a banquet and not in a swallow tail coat!"

"I beg pardon, his idea is strictly appropriate. Don't you see he is wearing a cutaway coat?"—Baltimore American.

for you, then you can be sure that your Thanksgiving Dinner will be cooked to a point of perfection. We also have a full line of Sanitary Enamel roasters, and at prices that make it possible for every house wife to own one, and no kitchen is complete without one.

It is only natural when the good housewife has prepared a feast that she knows is fit for a King, that she will want her table to be equal to the occasion, and we have first a fine line of Carvers that we are showing at prices that makes them very attractive, and Rogers' 1847 knives and forks, both in the Vintage patent hollow handles and also in the flat handles, and a full line of WALDORF, A. A. A. grade, silver plated hollow ware, guaranteed for twenty-five years, that we are offering at prices that can't help but make you desire to own some of this handsome ware.

We will take great pleasure in showing and explaining the points of merit in each department.

TRAFFIC IN SOUTH AMERICA

How Congestion and Accidents Are Avoided in the Streets of Buenos Aires.

Buenos Aires is very much unlike our American cities. In the first place, there are no sky scrapers. The highest building does not exceed seven or eight stories. Then there are miles upon miles of streets with buildings of one story predominating. It is laid out in rectangular blocks, average about 400 feet on each side. The streets are narrow, and even in the residence section they are generally built clear up to the street line. The principal business streets, such as Florida, Cuyo, Cangallo, Bartolome Mitre, San Martin, 25th of May, etc., are only 33 feet wide, and you will wonder how the traffic is managed, says Travel. It is done in this wise: Street cars and vehicles are allowed to move only one way. On the adjoining street they move in the opposite direction. It is surprising how this plan helps to solve a serious problem of congestion. Cabs and automobiles dash along with seeming disregard of human life, yet few accidents result. A uniformed policeman is stationed at each street intersection where traffic is congested and assists in the protection of foot passengers and drivers. This police force, made up of men with Indian blood in their veins, impresses the visitor as most efficient.

EVIDENTLY A HARD TASK

Somewhat Humorously Worded Epistle the Result of Struggle With English Language.

As the most delightful example she has ever seen of the English the European uses in his correspondence, a woman who has just returned from "the other side" is showing her friends a letter that she declares to be her most interesting "souvenir."

"After we left Amsterdam," she explains, "my daughter discovered that she had left her cuff-links in our room at the pension. So I wrote back to the proprietress, whom I knew spoke English, asking her to look for them. Here is the reply."

Then she shows it. And this, word for word, is how it reads:

"Dear Mrs. Thomas Grant:

"Immediately upon receiving your lettre I am going at once to looking in every drawer, and found this two button in the table near her bed. Can it be this two things what your daughter lost?

"In that way I am very glad to found it.

"So not, be so good to send it me back, for it might be of another person who perhaps will write me he lost something."

Furnishing Change.

"Five dollars in change to be sent around to her house within five minutes, that was all the woman living at No. 211 in the next street wanted," said the New York grocer. "Not even a cake of soap to go with it as a guarantee of good faith—just the $5. I thought I had got so used to cheeky requests that nothing could surprise me in that line, but the change proposition did give me something of a jolt. A cheap peddler had called with something she wanted to buy; she was afraid to trust him with the money to go out and get the change; she couldn't leave the house herself, and she had nobody to send, so she just telephoned around so she could get 75 cents in change. Yes, we sent it because she buys things here once in a while, but I hope other women in the neighborhood won't get the habit."

Their Reasons.

It was the dinner hour, and the prison inspectors were hurrying over their official round. They asked several questions quickly.

"I am here, gentlemen," explained the pickpocket, when the warder turned his back, "as the result of a moment of abstraction."

"And I," observed the incendiary, "because of an unfortunate habit of making light of things."

"The reason I am here," chimed in the forger, "is simply on account of a natural desire to make a name for myself."

"And I," added the burgler, "through nothing but taking advantage of an opening which was offered in a large mercantile establishment."

THIS LADY'S GOOD APPETITE

Mrs. Hansen, in a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble.

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui.

Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

THEY INJURE CHILDREN.

Cathartics and Pills and Harsh Physics May Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given. Ordinary pills, cathartics, and purgatives are too apt to do more harm than good. They sometimes cause griping, nausea, and distressing after-effects, and may actually injure the health, thus establishing a life-lasting annoyance.

We personally recommend and guarantee Rexall Orderlies as a safe and dependable remedy for constipation and associate bowel disorders. We have such faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhœa, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies not only relieve constipation, but help to remove the cause of this ailment. They also frequently overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really, in our opinion, no similar medicine so good as Rexall Orderlies for the purpose to which it is directed, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages: 12 tablets, 10c., 36 tablets, 25c., and 80 tablets, 50c. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store

STEEL INQUIRY GETS PERSONAL

Witness Says John D. Rockefeller Tried to Make Him a Thief.

OIL MAGNATE IS TO TESTIFY

Encounter Between Witness and Oil Attorney Narrowly Averted—Another Man Was Asked to Pad Railway Figures.

Washington, Nov. 23.—With a bitterness that lent emphasis to his utterances and at times fairly beside himself with pent-up rage, Leonidas Merritt told the Stanley steel trust committee a personal narrative of his dealings with John D. Rockefeller and how the latter had forced him out of the copper business in Minnesota. Mr. Rockefeller is to be called as a witness.

Mr. Merritt declared that it was after he had turned down a proposition from Mr. Rockefeller, which he characterized as "stealing" that Mr. Rockefeller called on him to pay a $1,000,000 loan and brought about his downfall. The proposition, Mr. Merritt said, came through the Rev. Dr. Gates, Mr. Rockefeller's almoner.

"I listened in amazement to it," said Merritt. "It meant that several men would be thrown out of the company and their stock taken. I turned to Gates and said:

"'Mr. Gates, you came from John D. Rockefeller. Go back to John D. Rockefeller and tell him that when I steal for a living I will steal for myself.'

"I listened in amazement when he said that if Rockefeller protected us that the stocks of others would be thrown down and he mentioned the names of several men. My brother, who was present, turned to Mr. Gates and said:

"'Mr. Gates we've got laws in our country. To do what you want to do would land us in jail. Mr. Rockefeller, with his $700,000,000, can't make us do that.'"

"It was soon after this interview that I was notified that we would have 24 hours to take up our Rockefeller loan. There I was with all my stocks up—stocks that I have never seen since. I didn't have money enough to get home with. Gates seemed to be amazed to think that I wouldn't do what he wanted me to do and at one time told me I would have to walk home on the ties."

At one time in the remarkable recital of his dealings with Mr. Rockefeller, an encounter between the witness and George W. Murray, counsel for the Standard Oil magnate, was narrowly averted.

Almost as remarkable as the story told by Mr. Merritt was that of Charles P. Martz, the engineer who built the Duluth, Mesaba & Northern railroad. He testified that he was thrown out of his job after Joseph B. Cotton, who represented John D. Rockefeller, got in control, because he did not pad the figures, representing the cost of construction to be sent those in authority who wanted to sell the property at a high figure.

DELAY NEW MEXICO STATEHOOD?

Cry of Fraud is Raised and Taft Will be Asked to Withold Proclamation.

Santa Fe, N. M., Nov. 23.—A well defined non-partisan movement has been started to ask President Taft to delay issuing the proclamation declaring New Mexico a state, on account of alleged irregularities in the recent election.

The idea is to have congress take steps to call another election, to be held at the time of the general election next November, and that this election be held under rules prescribed by congress.

Under local laws, certified returns are sent to the county seat of each county; under the enabling act they should be sent to Santa Fe. But, nevertheless, many election boards sent the certified returns to the county seats of their respective counties.

There are said to be indications of fraud and bribery, and altogether it is believed enough of a showing can be made to persuade President Taft to withhold the proclamation and influence congress to order a new election.

Farmers Protect Quail.

Manhattan, Kan., Nov. 23.—Farmers all over Kansas are organizing "no-hunting clubs" to save the quail. An effort was made by the State Grange to have a law passed by the last legislature allowing no open season on quail. The Grange failed in that, but succeeded in having the season reduced from a month to two weeks and at the annual meeting the "no-hunting clubs" were proposed and now in every county where there is a Grange the clubs have been organized.

A Thanksgiving Showing of Genuine Cluny Lace Pieces

Our showing of Cluny lace pieces is more extensive and interesting than ever. Not only are the designs more beautiful, but the values we offer are exceptional.

It will be advisable to select from this showing as early as possible since Cluny pieces have always been in great demand for Christmas gifts and the assortments will be less complete later in the season. Worth remembering, is the fact that it will be impossible for us to duplicate some of the pieces, especially those novelties made entirely of Cluny lace.

Upon request we will lay aside selections until desired.

In the showing are:

Doilies, from 25c to 75c. Center pieces and lunch cloths, from $1 to $10. Table cloths, from $12.50 to $15. Scarfs, from $4 to $9.

(Center Aisle)

Community Silverware Should be on the Thanksgiving Table

Because it has quality, beautiful designing and proper balancing and because it will retain these essential features for years—the maker and this store guarantee that Community goods, excepting knives, will give perfect satisfaction for 50 years in ordinary family use. No other silverware can do more. The prices are not excessive it costs in fact but little more than the best single plate.

Four distinct and beautiful patterns are carried in stock; they are the Avalon, the Flower-de Luce, the Classic and the Louis XIV.

What Community Silver is

PLATE—Community silver is made only in a plate heavier than triple—"triple-plus" we call it. It is a veritable armour plate of pure silver which in ordinary use will wear a life-time.

WORKMANSHIP—The unusual excellence of Community silver is made possible by the use only of the best materials, and by the employment of the most skilled workmen. Each piece receives the most careful attention.

DESIGNS—Community silver looks like Sterling. Each piece is the work of an artist and possesses the true beauty, the individuality, the depth and delicacy of ornament and the superior finish usually found only in the best Sterling. Every Community silver design is up-to-date.

GUARANTEE—Every piece of Community silver, except knives, is absolutly guaranteed to last full 50 years of ordinary service.

HUMAN HAIR ROOT

Showing Dandruff Germs At Work

WYETH'S SAGE AND SULPHUR HAIR REMEDY

Kills the Dandruff Germ and Makes the Hair Grow

Restores Gray Hair to Natural Color

FEW people are aware of the number of Dandruff Germs that infest the human hair and scalp. The germs which locate themselves in the follicle or sack which envelopes the root of the hair, spend a lazy existence in sucking up the juices which should go to keep life and strength in the hair. These germs cannot be seen by the naked eye, but with a magnifying glass of from 300 to 400 diameters the spores of this hair destroyer may be seen in masses, clinging to the hair.

DANDRUFF, ITCHING OF THE SCALP AND FALLING HAIR ARE A SURE SIGN OF DESTRUCTIVE GERMS.

Wyeth's Sage and Sulphur Hair Remedy not only kills the dandruff germs and prevents baldness, but it also **restores faded and gray hair to natural color.**

Don't Experiment With Old Fashioned Hair Dyes

but save your hair and restore it to natural color and luxuriance by using Wyeth's Sage and Sulphur Hair Remedy.

Druggists are authorized to sell Sage and Sulphur under guarantee that the money will be refunded if it fails to do exactly as represented.

PRICE 50c AND $1.00 AT ALL DRUGGISTS

If your druggist does not keep it send 50c. in stamps and we will send you a large bottle, express prepaid.

WARN FOREIGNERS TO LEAVE NANKING

Wu Ting Fang Notifies All Consuls Bombardment Will Begin.

WILL ATTACK BY LAND AND SEA

Washington Expects Most Decisive Battle of Rebellion—Both Sides Alarmed Lest Great Powers Intervene.

Shanghai, Nov. 23.—Wu Ting Fang, director of foreign affairs, has notified the consuls that the bombardment of Nanking will begin soon. He warns them to withdraw their respective countrymen from that district.

Nanking, Nov. 23.—The revolutionary forces are making rapid preparations for the bombardment of Nanking. These will be completed with the arrival of ten warships on the way to this place. An attack will be made on the city simultaneously by land and sea.

Within the city walls 11,000 men hold a strongly fortified position. They are well supplied with arms and ammunition, but they are poorly provisioned. The former Chinese minister to Japan, Tsao, a warm personal friend of Chang's, has been endeavoring to induce him to surrender, but the commander is obdurate. Tsao, who is the guest of President Bowen of Nanking University, has not yet given up hope of winning over the Manchu general.

Washington, Nov. 23.—Advances of the rebel forces, both naval and land, toward Nanking, where it is expected the decisive battle of the present rebellion will be fought, were reported to the navy department by Rear Admiral Murdock, commander-in-chief of the United States Asiatic fleet, which is looking after foreign interest in Chinese territory.

Several of the rebel gunboats which have been lying at Chinkiang, he reported have sailed toward Nanking, doubtless to assist in the operations against the imperial forces there. About 20,000 rebel troops now are marching for the expected battle. The majority of these troops are declared to be well drilled. The reports state that the city probably will be defended.

Great Britain, Germany and Japan each have a vessel at Nanking, and these, together with the American vessels there, are deemed sufficient to give adequate protection to foreign interests. The United States torpedo boat destroyer Barry and the cruiser Albany reached Nanking and relieved the New Orleans, which went to Shanghai. The collier Nanchen is also at Nanking. The gunboat Helena left Wu Hu for Hankow, making stops at river ports on the way.

Personal conferences between the secretary of state, secretary of war and secretary of the navy gave rise to the surmise that the China situation was under discussion, but no statement was vouchsafed.

Both the Chinese government and revolutionary leaders are desperately alarmed at the possibility of foreign intervention in their struggle.

MAKE WAR ON THE COTTONTAILS

In Franklin County, Kansas, They Organize Clubs to Exterminate Bunny.

Ottawa, Kan., Nov. 23.—The annual Franklin county war on rabbits has begun. The farmers have organized their annual hunts to exterminate the rabbits which cause hundreds of dollars of damage to the crops and the orchards each year. The Cotton Tail club of the Rock Creek neighborhood south of Ottawa has held its annual hunt and killed 654 rabbits. Two sides were chosen and the losing side will give an oyster supper to the winners, December 8. Ralph E. Page, county attorney, won the cash prize for the largest number of rabbits killed. He shot 35. The Richter neighborhood club killed 240. The winner of the prize in that vicinity killed 55.

New Oil Field Located.

Tulsa, Ok., Nov. 23.—Two oil wells were struck in the new Perryman pool, five miles south of Tulsa. One of the wells is estimated to be making 1,000 barrels a day and the other 900 barrels. Excitement is running high among oil men here, as the find is one of the biggest yet made.

Y. M. C. A. to Build.

Springfield, Mo., Nov. 23.—The immediate construction of a new $100,000 Y. M. C. A. building to replace the structure burned last March was agreed upon by the board of directors who announced the purchase of a $16,000 tract of land for the building site.

Hurt in a $150,000 Fire.

Cincinnati, Nov. 23.—Two children and several men were dangerously injured in a fire which totally destroyed the plant of the J. Baum Safe and Lock company. The loss will be about $150,000, fully covered by insurance.

LET HARVESTER TRUST SUFFER

Attorney General Major Opposes Remission of Fine.

PUNISHMENT SHOULD BE SEVERE

Reply Filed to Efforts of International Company for Reduction of Penalty or Reopening of Case.

Jefferson City, Nov. 23.—Attorney General Major has filed a reply to the efforts of the International Harvester company of America to have its fine of $50,000 imposed by the supreme court, last week, reduced to a nominal fine, or no fine at all, and also, its efforts to get the case reopened or again reviewed by the court. The reply is an argument that the punishment should not be changed or a rehearing granted. The attorney general says the basis of the prosecution is not the particular prices charged by respondent for its products, but its purpose and determined effort to suppress competition, its success in this respect and the illegal methods employed. The conduct of the harvester company, he says, has been in no sense enviable or commendable. In the first place, he says, the company set out with the fixed purpose of violating the anti-trust laws and destroying that which the law demands shall be preserved. To accomplish this they willfully resorted, he charges, to schemes, subterfuges and condemnable methods to deceive and delude the public and courts and other officials. He concludes:

"We respectfully submit that the judgment in this case is not harsh and that the punishment is not excessive. If trusts and combinations are to be destroyed and these evils to be eradicated from our system, it will be done only through the aid and decrees of such courts as deal with them as does this illustrious tribunal. It will not be done by assessing punishments and entering decrees that are satisfactory to the trusts. Unless the punishments are severe enough to cause them to complain and to occasionally writhe, they will continue their nefarious practices."

Death to Two Joy Riders.

Oklahoma City, Ok., Nov. 23.—Geo. Brandon, a druggist, and a young woman whose identity is unknown, were killed shortly after midnight in a motor car accident. Charles D. Fritz, a salesman, and Miss Margaret Matthews of Terrell, Tex., were with them in the car and were both badly injured. Fritz regained consciousness and the young woman from Texas will recover. The four were out for a midnight ride.

Missouri Hotel Burns.

Springfield, Mo., Nov. 23.—The Iowa hotel at Koshonong has been destroyed by fire. Nearly all the guests lost their clothing and several barely escaped with their lives. Benjamin Johnson of St. Paul was overcome by smoke and was carried from the building unconscious. Dr. W. N. Russell of West Plains escaped by climbing from the window of his room to a tree.

Wants "Anti-Tar" Law.

Lincoln Center, Kan., Nov. 23.—A movement has been started here to have Lincoln County take the lead in an effort to discourage any future "tar party" outrages in Kansas, by amending the state law at the next session of the legislature so as to make the use of force in concerted insults upon wohanhood a felony.

ALL MICHIGAN IN GRIP OF RHEUMATISM

Scourges More Widespread Than Ever Before—New Cure That is Remarkably Effective, Quick, and Non-Injurious.

From many sections of the state have come alarming news of the extraordinary prevalence of rheumatism, which seems to be greater now than in any previous year.

At the same time comes the news of many remarkable cures from a remedy which has given astonishing results, both because of its quick action as well of its harmless nature, and we give it here for the benefit of our readers, after full investigation as to its reliability.

As an example of the astonishing results of this remedy, Mr. J. C. Cole, of Flint, Mich., the well-known tailor, who was in bed with muscular rheumatism for almost six weeks, and his limbs were so sore that he could not touch them. He decided on Friday to take "Fuss." The following Monday three days later, he was at his store attending to business, and has been there every day since. We have collected details of over 1,000 cures of this remarkable remedy. "Fuss," which is the name of the cure, came into prominence some time ago because of its adoption for the national fight against rheumatism. It gives immediate relief, is guaranteed under the pure food and drugs act of congress, and contains no morphine, chloral, cocaine, ether, chloroform or any narcotic. The pains and stiffness in the muscles and joints simply disappear. It is equally successful against gout, lumbago and kidney trouble, and is a positive antidote for uric acid.

DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 2. MARYVILLE, MISSOURI, THURSDAY, NOV. 23, 1911. NO. 148.

WILL RECEIVE BIDS

UNCLE SAM IS READY TO COMMENCE OPERATIONS.

MUST BE IN BY JAN. 3

The Drawings and Specifications Have Not Yet Been Received Here, But Are Expected Soon.

Within the next few months work will probably commence on the new $75,000 postoffice building for Maryville, to be located at the corner of Main and Fifth streets, as Postmaster S. R. Beech received Thursday morning notice that sealed proposals on the building had to be in by January 3, and that the awarding of the contract for the construction would be let soon after. The notice was from James Knox Taylor, supervising architect of the treasury department at Washington. It is as follows:

"Treasury Department, Office of the Supervising Architect, Washington, D. C., Nov. 20, 1911.—Sealed proposals will be received up to 3 o'clock p. m. on January 3, 1912, for the construction (complete, including plumbing, gas piping, heating apparatus, electric conduits, wiring and lighting fixtures) of the United States postoffice at Maryville.

"The building is to be one story high and basement, and the ground area will contain approximately 4,900 square feet. To be fireproof first floor, stone facing and tin roof. Drawings and specifications may be obtained from Postmaster Beech or at the office in Washington, at the discretion of the supervising architect."

Postmaster Beech said Thursday that he had not as yet received the drawings or specifications, but thought he would get them within the next week or so. Mr. Beech said further that the department advertising for bids means that work will start before long. The awarding of the contract will probably not be made before spring, and then the work will commence."

CATTLE WORTH $72,000,000.

At Last Census Missouri Had 2,556,460 Head of Cattle.

Washington, D. C., Nov. 22.—A preliminary statement of the cattle on farms in the United States, as prepared for the thirteenth census, shows 61,225,791 head reported and valued at $1,484,890,000. The total number of head of cattle is divided into 20,580,845 dairy cattle, 7,757,935 calves and 32,887,011 in all other classes.

The west north central division, including Minnesota, Iowa, Missouri, North and South Dakota, Nebraska and Kansas, has 17,665,090 head of cattle, twice as much as any other division, valued at $449,218,000.

The table showing the standing of Missouri and its neighbors in this division is as follows:

States—	Value.	Number.
Minnesota	$ 50,364,000	2,345,724
Iowa	118,991,000	4,468,422
Missouri	72,732,000	2,556,420
North Dakota..	17,727,000	745,181
South Dakota...	36,189,000	1,532 751
Nebraska	73,049,000	2,931,255
Kansas	80,184,000	3,066,337

Funeral Held Wednesday.

The funeral services of Charles Saunders, the blind musician, who died at Maryville Monday forenoon, was held at the Christian church at Burlington Junction Wednesday morning, conducted by Rev. W. H. Rust. Burial took place at Dawsonville, the deceased's old home.

The life of Mr. Saunders has been an unusual one, from the fact that, though almost helpless from the loss of his sight, he has amassed considerable property by his own efforts. He has sold music all over the United States and in Canada and had invested his earnings in real estate in Burlington Junction and vicinity. This has grown in value since he purchased it.

Mr. Saunders had been married three times, and his last wife, who is also blind, and six children survive him.

We were fortunate in securing a good deal in toy express wagons and we are going to sell them the same way, and give our customers the advantage of this deal.

Come in and pick your choice before the lot is broken.

RAISE FUND FOR WIDOW.

Lost Home and Family Possessions in Fire Last Friday at the Junction.

Over $200 has been raised by public subscription for Mrs. Grace Cadwell, a widow, who lost all her worldly possessions in a fire that destroyed the house in which she was living at Burlington Junction last Friday afternoon. The money will be used to erect and furnish a two-room cottage, which will be donated to her when completed.

Mrs. Caldwell has four small children who are dependent on her for support. She does washing about town and is compelled to be away from home every day to earn sufficient means to keep the wolf from the door. At the time the fire was discovered at her home she was engaged at laundry work at the J. H. Sewell home, and the flames had gained such headway that the household furniture and the family's clothing were burned.

When citizens learned of her condition they made up a subscription paper and purse strings were loosened to help the good cause. When the amount reached $200 it was decided to give the widow a home, and work was begun today on a cottage for her. Several are donating their work, and the material for the structure is being furnished by Burlington Junction merchants free of charge, or at actual cost.

CHRISTMAS GOODS DISPLAY.

Chafing Dishes and Percolaters in Nickel and Copper Goods Are Indeed Beautiful.

It will do anyone good in search of beautiful Christmas presents to visit the hardware store of Campbell & Clark and see their display of Rochester ware in almost every conceivable device for cooking and serving.

The display they have of chafing dish sets, percolaters, baking dishes of every kind is the largest and most complete that has been shown in our city, and would do credit to Kansas City or St. Louis. It is not possible to go into detail and tell of the beautiful wrought patterns in nickel, copper and brass, but two are worthy of especial mention. The nickel plated chafing dish set is on a solid mahogany platter with bottom of silk tapestry overlaid with plate glass. The fork and spoons have ebonized handles. Another set is of copper with Circassian walnut tray with tapestry bottom, also overlaid with plate glass. Another tray has a bottom of Japanese leather overlaid with plate glass.

It is not possible to describe the beauty of workmanship of all these useful articles, but it will pay the women of Maryville to visit the store and see them, whether they intend to purchase or not.

THE SECRET IS OUT.

Why the Burlington Depot is So Far From Town.

Coming uptown on the bus from the Burlington depot Wednesday was a new traveling man. He asked how far it was uptown, and was told the distance, "One mile to the square."

"Well," he said, "this is just like another town I was in the other day—the town away off from the depot—when somebody asked what on earth they ever built the depot so far from town for, when it made things so everlastingly inconvenient for the traveling public. Then a man spoke up and said he supposed it was because they wanted to put the depot as near the railroad as possible.'

It is perfectly plain now why the Burlington depot is so far from town.

WORKING ON COALING STATION.

Great Western is to Put in a $15,000 Plant at Conception Junction.

Work was commenced Tuesday on the Great Western railway coaling station at Conception Junction. The plant is to have a capacity of 100 tons and will be mechanically operated.

Self-registering scales will weigh out of the bins all coal used on engines, and this will give a check on every fireman, designating how much coal is used on every run by every engine.

The plant at Conception Junction is to cost $15,000. Several other improvements are to be made at the junction by the Great Western, as it is the division point on that line.

Work will commence in a few days, it is thought, on the track connecting the Great Western with the Wabash at that place. It is thought that some traffic arrangement will be made between the two roads, such as a Great Western-Wabash train between St. Joseph and Omaha.

To Hold Chapel Exercises.

The first chapel exercises of the Business college will be held Friday morning in the auditorium at 9:30 o'clock. Rev. C. J. Miller, pastor of the Christian church, will make an address. The public is cordially invited to attend.

Mr. and Mrs. Joseph Baker of Barnard were in the city Thursday.

BAND MONEY RAISED

SERIES OF CONCERTS NEXT SUMMER IS NOW ASSURED.

PROF. CADY TO INSTRUCT

Over $800 Has Been Pledged and Balance is in Sight—Will Start Practice December First.

Maryville is now assured of having a men's band under the direction of Prof. Donald Cady of St. Joseph.

The committee appointed to solicit funds from our merchants to the amount of $900, to insure the establishment of a good band for our city is meeting with success and up to date has raised over $800 of the amount, and the balance of it is in sight. The committee wishes to thank the business men for the cheerful and generous response they have made.

Mr. Cady was notified Wednesday evening by phone message that his services would be needed in this city, and he will arrive here some time near the first of the year, or as soon as he can close his business matters in St. Joseph, where he has been engaged for some time. The members of the band will begin practice about the first of December, in order to be ready for their leader when he arrives.

Open air concerts are now assured for Maryville, beginning May 1 and continuing through the summer to October 1, and through October should the weather permit. We will now have music for every occasion where music is needed.

News of Society and Womens' Clubs

Social at Business College.

A social will be given at the Business college on Friday evening, and everybody is invited.

Ladies' Aid Society to Meet.

The Ladies' Aid society of the M. E. church, South, will meet Friday afternoon at 2:30 o'clock at the home of Mrs. John Rickman, on South Walnut street.

Getting Ready for Christmas.

The ladies of the First Christian church are holding an all-day session Thursday in the parlors of the church, getting ready for their Christmas bazaar, to be held in December.

Wednesday's Dinner Guests.

Mr. and Mrs. A. T. Stephenson entertained with a dinner Wednesday, their guests including Mrs. E. B. Sheldon, and her guest, Mrs. Jesse Perdew of Hutchinson, Kan., and Mrs. W. C. Irwin of Chicago, who is visiting her son and his wife, Mr. and Mrs. Harry Irwin.

Presbyterian Ladies, Attention!

Mrs. Fred Kurtz wishes all the ladies of the First Presbyterian church of this city to meet at her home Friday afternoon for the purpose of making over and mending clothing for the poor. She wishes all to bring clothing that is repairable with them, so that all may work together and accomplish as much as possible for that day.

Their Wedding Anniversary.

Mr. and Mrs. O. L. Holmes were pleasantly surprised Wednesday evening by a company of their friends coming in to spend the evening with them, having learned that it was the twenty-third anniversary of their wedding. The visitors brought refreshments with them and the evening was spent in games and social converse. Those present were Mr. and Mrs. R. L. McDougal, Mr. and Mrs. O. W. Swinford, Mr. and Mrs. R. H. Duncan, Mr. and Mrs. Robinson Craven, Mr. and Mrs. J. E. Melvin, Mr. and Mrs. G. B. Holmes and daughter, Lucile; Mr. and Mrs. Anderson Craig, Mr. and Mrs. J. Ed Costello, Mr. and Mrs. J. F. Cook, Mrs. Gallatin Craig and son and daughter, Albert and Miss Laura Craig, Mr. and Mrs. J. H. Eckles and Mr. and Mrs. R. A. Strawbridge.

Prayer Meeting Attendants Feasted.

Professor Victor I. Moore, who recently succeeded Mr. R. C. Seal as superintendent of the M. E. church, South, Sunday school, entertained the teachers of the school with a luncheon in the pastor's study Wednesday evening after prayer meeting, when they gathered for the usual weekly study of the Sunday school lesson, which is conducted by Prof. Moore. All those who were present at the prayer meeting were invited to remain for study with the teachers and to partake of luncheon which Mr. Moore prepared for them. The teachers are: President H. K. Taylor, R. G. Allen, Frank Mathis, Mrs. Del Thompson, Miss Eva Ashford and Mrs. M. F. Humber. The others present were: J. T. Muntz, H. O. Smith, Mr. and Mrs. Raymond Barray and son, Fred Truitt, L. P. Colvin, Mrs. E. B. Sheldon, Miss Maud Sheldon, Rev. and Mrs. W. J. Parvin, Mrs. Calista Dawson, Miss Eva Dawson, Miss McDonald, Miss Maud Tarpley, Misses Mary and Susie Allen, Miss Mary Abshire and Julian Parvin.

Guests at Condon Home.

Mrs. B. E. Condon and her daughters, Misses Gertrude and Georgia Condon, entertained at dinner Wednesday evening Miss Clara Kalterman and her sister, Mrs. James Price of Kansas City, who is visiting her this week. The day was the birthday anniversary of Mrs. Condon's youngest daughter, Ora May, and two of her little friends, Ruth and Paul Miller, were also guests at the dinner. Miss Kalterman will leave in a few days for her new home in Kansas City.

Bazaar Opened Finely.

The bazaar by the ladies of the First M. E. church had a very successful opening Thursday, and is being largely patronized. The booths are as handsome and attractive as in former years, and the display of hand-painted china by Miss Anna Dooley in the ice cream booth, presided over by Mrs. J. C. Allender, and that of Miss Dora Carpenter, which is displayed in the fancy work booth, is attracting much attention. The bazaar is to continue until Friday, when it will close with an entertainment.

Dinner for Colorado Guest.

Mr. and Mrs. Bruce Montgomery entertained with a five-course dinner Wednesday evening in compliment to their aunt, Mrs. J. Wesley Jones of Loveland, Col., who has been the guest of her sisters-in-law, Mrs. J. F. Montgomery and Mrs. M. M. Rittenour, the past two weeks. Those present were Mrs. Jones, Mr. and Mrs. J. F. Montgomery, Mr. and Mrs. T. L. Wadley. Mrs. Jones left for her home Thursday morning, accompanied by her mother-in-law, Mrs. Rachel Jones, who will spend a year with four of her children who live in Colorado.

C. W. B. M. Missionary Tea.

One hundred guests were received at the missionary tea and reception given Wednesday afternoon by the ladies of the auxiliaries of the C. W. B. M. of the First Christian Church at the home of Mrs. Charles T. Bell. The guests were received in the reception hall by Mrs. M. G. Tate and Mrs. James B. Robinson. Those in the line in the parlors to greet the guests were the hostess, Mrs. Charles T. Bell, Mrs. J. D. Frank, president of the C. W. B. M.; Mrs. Claude J. Miller, wife of the pastor of the church, and Mrs. J. S. Shinabargar, president of the Young Ladies' Mission Circle. All of the rooms of the home were decorated in ferns, and in the dinning room, where ice cream and cake were served, chrysanthemums were used for decorating. Mrs. J. R. Brink and Mrs. W. W. Glass poured tea in the library and were assisted by Mrs. Harry Irwin, Mrs. Lafe Allender and Mrs. F. P. Robinson. Those serving in the dining room were Mrs. Arch Frank, Mrs. Frank Garrett and Miss Nellie Douglass. Music was furnished throughout the afternoon on Mrs. Bell's victrola. Others assisting in the entertaining were Mrs. G. B. Roseberry, Mrs. R. L. McDougal, Mrs. F. P. Reuillard, Mrs. G. L. Wilfley, Mrs. O. W. Swinford, Mrs. Harry Shipps, Mrs. F. L. Flint, Mrs. M. T. Henderson, Mrs. A. T. Fisher, Mrs. Robert Lyle, Mrs. J. W. Ray, Mrs. W. A. Miller, Mrs. J. D. Richey, Mrs. A. C. Hopkins, Mrs. A. J. Anderson.

RAILROAD WON SUIT

FITE AND M'CLAIN VS. C., B. & Q. WAS ON TRIAL THURSDAY.

HAY AND RACKS BURNED

Sparks From Locomotive Alleged to Have Caused Fire, and $60 Damages Are Wanted.

The case of W. A. Fite and Frank McClain vs. the Burlington railroad was on trial Thursday, and went to the jury at 3 o'clock this afternoon. They are suing the Burlington for $60 damages, alleging that a spark from a Burlington locomotive set fire to two tons and a half of hay and some hay racks that were in the Burlington yards here, totally destroying the hay and racks. The case came to circuit court from the justice court, where the defendants won the case.

The jury in the case is composed of Joseph Voelker, Mack Moore, James Smith, Mike Lahr, H. E. Wright, Ed Hamlin, John Lorence, L. P. Colvin, Robert Hantz, John Vert, William Jones and W. W. Jones.

The jury in the case, after being out a short time, brought in a verdict just before going to press this afternoon for the defendant, or the railroad company.

In the case of Lawrence F. Growney vs. the Wabash, tried Wednesday afternoon, the jury brought in a verdict in favor of the defendant as to both counts of the petition.

A motion for a change of venue was asked by the plaintiffs in the case of Joseph C. and W. H. Brown vs. S. B. Hayzlett.

L. P. Colvin was made a member of the petit jury in place of James Goodwin, who was excused by the court.

WAS A BIG SALE.

Good Prices Received at the Ramey & Blagg Public Sale Held Wednesday.

The public stock sale of Arthur Ramey and James Blagg was held Wednesday at the James Blagg farm, nine miles south of the city, and was one of the largest sales for years, as the total price received was $8,390. The sale Wednesday was the second one Ramey has had this year, and with the first one and the one Wednesday the total amount received was $16,000.

There were 265 head of cattle, 109 head of hogs and several head of horses and mules sold. From 14 head of 2-year-old heifers an average of $48.50 was received; from 40 heifer calves an average price of $17.25; from 40 steer calves an average of $20; from 16 2-year-old heifers an average of $35.75; from 22 yearling steers an average of $28.25; from 40 yearling heifers an average of $26, and from 33 feeder cows an average of $38.50.

Several stockers and milkers in single lots and bunches were sold at good prices. A pair of 2-year-old mules brought $370. Thirty gilt hogs sold for an average of $11.50.

R. P. Hosmer was the auctioneer and Joseph Jackson, Jr., was the clerk of the sale.

DR. CRAIG'S BABY DEAD.

Body Will Be Brought to Maryville Thursday Night for Burial in Miriam Cemetery.

Donald, the 5-year-old son of Dr. and Mrs. Arthur S. Craig of Kansas City, died at their home in Kansas City, Thursday morning at 3:30 o'clock. The body will be brought to Maryville Thursday night and taken to the home of Dr. Craig's parents, Mr. and Mrs. Anderson Craig, on Lawn avenue, to await burial, which will be about 10 o'clock Friday morning, in Miriam cemetery, by the side of the body of Dr. and Mrs. Craig's 1-year-old daughter, Mary Etta, who died in Maryville about three years ago, during their residence in this city. The death of their baby boy has been expected, as he has been afflicted with paralysis of the lower limbs since birth.

COX FUNERAL SERVICES FRIDAY.

Will Be Conducted at Myrtle Tree Church by Rev. Lee Harrel of This City.

The funeral services for the late Mrs. Benoni F. Cox, who died suddenly Wednesday forenoon at her home, eight miles northeast of the city, will be held Friday afternoon at 1 o'clock at the Myrtle Tree church, northeast of the city. The services will be conducted by Rev. Lee Harrel of the First Baptist church of this city.

Perry's Second Boy.

Mr. and Mrs. G. O. Perry are rejoicing over the arrival of a fine son at their home, on West Carpenter street, at an early hour this morning. The little fellow is a perfect picture of health, and Mrs. Perry is reported doing nicely. This makes three children, two sons and a daughter, and G. O. claims rightfully that he has reason for being the happiest man in town today.—Moberly Daily Monitor.

Mr. Perry is a former young Maryville business man, now prospering in Moberly as a banker, and is the live president of the Commercial club of that place. Mr. Perry's oldest son is named for George F. Woodworth of this city, secretary of the Standard Poland-China Record association.

Moving to Arkansas.

Mrs. O. M. Anderson and her two little daughters, who have been making their home in Burlington Junction, spent Wednesday in Maryville with her uncle and aunt, Mr. and Mrs. John Kirch, and family. They went to Arkoe Thursday morning to visit awhile with Mrs. Anderson's father, John Baumle, and family, accompanied by Miss Frieda Metzgar, who lives with her uncle, Mr. Baumle, and had also been visiting in Maryville with the Kirch family. Mrs. Anderson will soon meet her husband in their new home at Mountain Home, Ark., where he located on a farm a month ago and is erecting a new residence, which will be ready for their occupancy.

FROM TWO SCHOOLS

MISSOURI AND KANSAS COLLEGES SEND REPRESENTATIVES HERE.

TO INSPECT FINE STOCK

Prize Winners at American Royal Come For More Experience Preparatory to Trying at Chicago.

A party of seven students of the department of animal husbandry of the University of Missouri agricultural school at Columbia, headed by Prof. E. A. Trowbridge of that department, arrived in Maryville Wednesday night, and on Thursday noon a party of eight students from the Kansas State Agricultural school at Manhattan, headed by Prof. T. G. Patterson of that school, arrived on the Burlington and the party will spend two days around Maryville as guests of our fine stock breeders.

The purpose of their visit to Maryville is to acquaint them in the work of practical stock judging, as several members of the party, both from Missouri and Kansas, will go to Chicago in the first part of next month to compete in the live stock judging contests in the international live stock show.

The two delegations were the guests on Thursday of Mr. Charles D. Bellows and his brother, Mr. George P. Bellows, the widely known Shorthorn breeders, at their farms, southwest of the city, where their Shorthorn herd was inspected by the students.

Luncheon was served at noon at Parkdale, the home of Mr. Charles D. Bellows, and they will be entertained at dinner this evening by Bellows Brothers at the Methodist church bazaar.

On Friday the visitors will visit the farms of W. W. Andrews and Omar Catterson & Son, breeders of Aberdeen-Angus cattle, and of J. F. Beolofson, breeder of Percheron and standard horses, and their stock will also be inspected and judged.

Mr. and Mrs. Robinson will entertain the party at their home, on South Main street, at luncheon Friday noon, and Mr. and Mrs. Hal R. Catterson will entertain them at dinner Friday evening at the Catterson farm, north of the city.

The Missouri agricultural school won the championship last year in judging stock at the Chicago show, competing against seven state universities, in individual and class records, for which they received $1,000 in premiums. Prof. Trowbridge, who heads the Missouri delegation now in this city, coached the team that won the prizes for judging at the international show last year. The students who are now with him on his visit to Maryville, won first prize in the judging contest at the American Royal stock show in Kansas City in October.

The Missouri delegation is composed of Prof. Trowbridge, W. T. Wassel, J. T. Lipp, H. L. Hale, T. R. Haden, W. Cramer, E. C. King and H. F. Williams.

The Kansas delegation is composed of Prof. Patterson, A. M. Patterson, R. Laflin, E. L. Wickham, H. Smith, R. Doddridge, L. Fowler, H. P. Wood and George Kirkpatrick.

Mrs. Nellie Morgan and daughter, Gertrude, of St. Joseph, who have been visiting her parents, Mr. and Mrs. David Housel, went to Lenox, Ia., Thursday to visit Mrs. May Tuck.

THE GAS SUPPLY IS FAILING

PROF. HAWORTH'S REPORT INTERESTS ALL USERS.

Supply Will Be Gone in Three Years Uuless Factories Are Cut Off Throughout Field.

Kansas City, Nov. 23.—Two or three years more of natural gas—that is all Kansas City may expect to have, under the present conditions of use. If gas for factory use is cut off entirely throughout the territory supplied, there may be gas for seven years more for domestic use in Kansas City.

The foregoing is the substance of an exhaustive report regarding the conditions in what is known as the Mid-Continent gas field, the territory from which Kansas City draws its supply. The report was made by Prof. Erasmus Haworth, state geologist of Kansas, after months of investigation. Accompanying the report are figures on each pressure and volume showing a tremendous rate of deterioration in the gas "pools" in all the districts of Kansas and Oklahoma.

If Kansas City would take advantage of a longer use of gas than three years it will be necessary to stop the use of boiler gas. The gas company last summer announced that it would stop the use of boiler gas and give it all for domestic consumption if Kansas City would accept a raae of 35 cents a thousand. The company asserted that it was forced to sell cheap boiler gas to get enough money to pay its obligations. The consumption at 25 cents was not great enough to meet its demand for money.

ELECTED WOMAN POSTMISTRESS

Miss Abbott, at LeRoy, Kansas, Defeats Her Male Opponent, 554 to 71.

Le Roy, Kan., Nov. 23.—Miss Esther S. Abbot was elected postmaster of Le Roy by an overwhelming majority. She was given 554 votes to 71 for her opponent, O. C. Kersey. Men and women of all parties, patrons of the office, were permitted to vote and Fred S. Jackson, representative from the Fourth district, who devised the plan for allowing the people to name their own postmaster, supervised the election. It is said that the election was the first of its kind ever held, although postmaster primaries often have been suggested.

To Build an Oil Refinery.

Independence, Kan. Nov. 23.—The Gulf Pineline company announced here that it will at once begin constructing a 6-inch pipeline from its main station at Saltillo, Tex., to Fort Worth, 123 miles. The company also will begin the erection of a refinery at Fort Worth with a capacity of 5,000 barrels a day, according to the announcement.

Mexicans Stoned a Club.

El Paso, Tex., Nov. 23.—The Foreign club at Chihuahua was stoned by a mob in the celebration of the anniversary of Madero's revolution. The library window was broken by bricks, which fell among several members of the club sitting in the room at the time.

Snow Came With Lightning.

Atchison, Kan., Nov. 23.—A severe electrical storm, preceded by a light snow, raged for two hours over Northeastern Kansas. The lightning was intense and was accompanied by heavy peals of thunder. It is reported that two barns north of Atchison were struck by lightning and burned.

Held for a Kansas Murder.

Durango, Col., Nov. 23.—Watt Saltis, wanted for murder in Independence, Kan., and for whose capture $50 had been offered, is under arrest here awaiting the arrival of Kansas authorities.

CHANGE IN COLOR OF EYES

By No Means Uncommon, and Easily Accounted For, According to Surgeon.

The possibility of a man's eyes changing as the result of mental shock or physical ill treatment was the subject of an interesting discussion by a number of surgeons in the eye ward of one of the great London hospitals.

One of the surgeons stated: "It is common knowledge that great physical hardships may suddenly turn the hair white. The loss of color here follows on certain chemical changes, due to disturbances of nutrition, taking place in the tiny particles of coloring matter which give the hair its color.

"All infants at birth have blue eyes. In some babies, immediately after birth, pigment granules begin to develop in the iris. Thus they become brown or black eyed. In others, however, no such pigment formation takes place, and the eyes remain blue or gray throughout life.

"If this at present blue-eyed ex-convict is really the missing brown-eyed banker, a reasonable explanation of the discrepancy in the eye colorings would be that under the stress of physical and mental shock the coloring matter which had in early life developed in each iris had atrophied or disappeared, leaving the eyes the original blue coloring present at birth."

MADE ALL THE DIFFERENCE

Mr. Newlywed Equal to Fine Distinction Between His "Cherub" and Neighbor's "Brat."

"Our likes and dislikes are guided by the personal equation—whatever that is," commented the bachelor.

"Indeed?" queried the suffragette.

"Yes; the property we buy at a real estate forced sale is always the highest and driest, while the other fellow's property, we are willing to swear, is under water."

"Are you getting ready to argue?"

"No, I'm still unmarried. But I wanted to show how different we all feel about ourselves and our property from other people and their property. You know, I have a room in a flat with a young married couple. I have one there so that I can observe the martial—or is it marital?—existence. A couple of months ago the stork brought them a baby."

"A boy or a girl?" asked the suffragette revealing a spark of womanhood; then she added, quickly, "but never mind; it will be a voter, anyway, some day."

"On the floor below us is another baby," went on the Bachelor. "The other day the quiet of the house was disturbed by lusty yelling.

"'Is that our little cherub crying?' asked the mother.

"'No,' the father answered; 'it's the brat downstairs.'"

Couldn't Escape.

He was one of those timid, tinytoned chaps who become enamored by mistake, and live in perpetual fear of a pending engagement ring. He himself had become enamored of a sweet and soulful maiden, whose languishing expression tore him between delight and fear.

At the conclusion of his first "call" she asked:

"When are you coming again, dear?"

He seized the wrong hat from the rack in his confusion.

"Er—what about some time next week?" he hazarded.

A look of disappointment came into the fair one's eyes.

"Next week?" she said. "Yes, that will do lovely! Come round tomorrow night, dear, and we'll decide definitely upon the day."—Answers.

Twin Gods of War and Melody.

How do statesmen get themselves into the frame of mind to declare war? According to a popular German story the method in Bismarck's case in 1866 was one that would hardly be suspected. His subordinate Kendell was an expert pianist, and Sir Mountstuart Grant Duff put it, "used, it is said, to fulfill toward him the function which David fulfilled toward Saul." On one evening Bismarck was unusually moody and Kendell surpassed himself at the piano. "Thank you, my dear Kendell," said Bismarck finally, "you have soothed me and done me so much good; my mind is made up; we shall declare war against Austria."

Wall Colors and Light.

In painting or papering the walls of a room the question often arises what color reflects the most and what the least light? Recent experiments in Germany gave the following results: Dark blue reflects 6½ per cent. of the light falling upon it; dark green, about 10 per cent.; pale red, a little more than 10 per cent.; dark yellow, 20 per cent.; pale blue, 30 per cent.; pale yellow, 40 per cent.; pale green, 46½ per cent.; pale orange, nearly 55 per cent.; pale white, 70 per cent. Glossiness and varnish increase the amount of light reflected.—Harper's Weekly.

Primitive Reasoning.

"Did you sell your vote?"

"No, siree. I voted for that feller 'cause I liked him."

"But I understand he gave you $10."

"Well, when a man gives you $10 'taint no more'n natural to like him, is it?"

"Look at that famous surgeon at a banquet and not in a swallow tail coat!"

"I beg pardon, his idea is strictly appropriate. Don't you see he is wearing a cutaway coat?"—Baltimore American.

TRAFFIC IN SOUTH AMERICA

How Congestion and Accidents Are Avoided in the Streets of Buenos Aires.

Buenos Aires is very much unlike our American cities. In the first place, there are no sky scrapers. The highest building does not exceed seven or eight stories. Then there are miles upon miles of streets with buildings of one story predominating. It is laid out in rectangular blocks, average about 400 feet on each side. The streets are narrow, and even in the residence section they are generally built clear up to the street line. The principal business streets, such as Florida, Cuyo, Cangallo, Bartolome Mitre, San Martin, 25th of May, etc., are only 33 feet wide, and you will wonder how the traffic is managed, says Travel. It is done in this wise: Street cars and vehicles are allowed to move only one way. On the adjoining street they move in the opposite direction. It is surprising how this plan helps to solve a serious problem of congestion. Cabs and automobiles dash along with seeming disregard of human life, yet few accidents result. A uniformed policeman is stationed at each street intersection where traffic is congested and assists in the protection of foot passengers and drivers. This police force, made up of men with Indian blood in their veins, impresses the visitor as most efficient.

EVIDENTLY A HARD TASK

Somewhat Humorously Worded Epistle the Result of Struggle With English Language.

As the most delightful example she has ever seen of the English the European uses in his correspondence, a woman who has just returned from "the other side" is showing her friends a letter that she declares to be her most interesting "souvenir."

"After we left Amsterdam," she explains, "my daughter discovered that she had left her cuff-links in our room at the pension. So I wrote back to the proprietress, whom I knew spoke English, asking her to look for them. Here is the reply."

Then she shows it. And this, word for word, is how it reads:

"Dear Mrs. Thomas Grant:

"Immediately upon receiving your lettre I am going at once to looking in every drawer, and found this two button in the table near her bed. Can it be this two things what your daughter lost?

"In that way I am very glad to found it.

"So not, be so good to send it me back, for it might be of another person who perhaps will write me he lost something."

Furnishing Change.

"Five dollars in change to be sent around to her house within five minutes, that was all the woman living at No. 211 in the next street wanted," said the New York grocer. "Not even a cake of soap to go with it as a guarantee of good faith—just the $5. I thought I had got so used to cheeky requests that nothing could surprise me in that line, but the change proposition did give me something of a jolt. A cheap peddler had called with something she wanted to buy; she was afraid to trust him with the money to go out and get the change; she couldn't leave the house herself, and she had nobody to send, so she just telephoned around so she could get 75 cents in change. Yes, we sent it because she buys things here once in a while, but I hope other women in the neighborhood won't get the habit."

Their Reasons.

It was the dinner hour, and the prison inspectors were hurrying over their official round. They asked several questions quickly.

"I am here, gentlemen," explained the pickpocket, when the warder turned his back, "as the result of a moment of abstraction."

"And I," observed the incendiary, "because of an unfortunate habit of making light of things."

"The reason I am here," chimed in the forger, "is simply on account of a natural desire to make a name for myself."

"And I," added the burgler, "through nothing but taking advantage of an opening which was offered in a large mercantile establishment."

THIS LADY'S GOOD APPETITE

Mrs. Hansen, In a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble.

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui.

Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

N. B.—*Write to:* Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for *Special Instructions*, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

Mrs. Omer Wallace of Leavenworth, Kan., is the guest of her husband's parents, Mr. and Mrs. John Wallace, and sister-in-law, Mrs. Will Edwards. She will remain until Sunday. Mr. Wallace is agent for the Burlington at Leavenworth.

THEY INJURE CHILDREN.

Cathartics and Pills and Harsh Physics May Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given. Ordinary pills, cathartics, and purgatives are too apt to do more harm than good. They sometimes cause griping, nausea, and distressing after-effects, and may actually injure the health, thus establishing a life-lasting annoyance.

We personally recommend and guarantee Rexall Orderlies as a safe and dependable remedy for constipation and associate bowel disorders. We have such faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies not only relieve constipation, but help to remove the cause of this ailment. They also frequently overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really, in our opinion, no similar medicine so good as Rexall Orderlies for the purpose to which it is directed, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages: 12 tablets, 10c.; 36 tablets, 25c.; and 80 tablets, 50c. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store

STEEL INQUIRY GETS PERSONAL

Witness Says John D. Rockefeller Tried to Make Him a Thief.

OIL MAGNATE IS TO TESTIFY

Encounter Between Witness and Oil Attorney Narrowly Averted—Another Man Was Asked to Pad Railway Figures.

Washington, Nov. 23.—With a bitterness that lent emphasis to his utterances and at times fairly beside himself with pent-up rage, Leonidas Merritt told the Stanley steel trust committee a personal narrative of his dealings with John D. Rockefeller and how the latter had forced him out of the copper business in Minnesota. Mr. Rockefeller is to be called as a witness.

Mr. Merritt declared that it was after he had turned down a proposition from Mr. Rockefeller, which he characterized as "stealing" that Mr. Rockefeller called on him to pay a $1,000,000 loan and brought about his downfall. The proposition, Mr. Merritt said, came through the Rev. Dr. Gates, Mr. Rockefeller's almoner.

"I listened in amazement to it," said Merritt. "It meant that several men would be thrown out of the company and their stock taken. I turned to Gates and said:

"'Mr. Gates, you came from John D. Rockefeller. Go back to John D. Rockefeller and tell him that when I steal for a living I will steal for myself.'

"I listened in amazement when he said that if Rockefeller protected us that the stocks of others would be thrown down and he mentioned the names of several men. My brother, who was present, turned to Mr. Gates and said:

"'Mr. Gates we've got laws in our country. To do what you want to do would land us in jail. Mr. Rockefeller, with his $700,000,000, can't make us do that.'"

It was soon after this interview that I was notified that we would have 24 hours to take up our Rockefeller loan. There I was with all my stocks up—stocks that I have never seen since. I didn't have money enough to get home with. Gates seemed to be amazed to think that I wouldn't do what he wanted me to do and at one time told me I would have to walk home on the ties."

At one time in the remarkable recital of his dealings with Mr. Rockefeller, an encounter between the witness and George W. Murray, counsel for the Standard Oil magnate, was narrowly averted.

Almost as remarkable as the story told by Mr. Merritt was that of Charles P. Martz, the engineer who built the Duluth, Mesaba & Northern railroad. He testified that he was thrown out of his job after Joseph B. Cotton, who represented John D. Rockefeller, got in control, because he did not pad the figures, representing the cost of construction to be sent those in authority who wanted to sell the property at a high figure.

DELAY NEW MEXICO STATEHOOD?

Cry of Fraud is Raised and Taft Will be Asked to Withold Proclamation.

Santa Fe, N. M., Nov. 23.—A well defined non-partisan movement has been started to ask President Taft to delay issuing the proclamation declaring New Mexico a state, on account of alleged irregularities in the recent election.

The idea is to have congress take steps to call another election, to be held at the time of the general election next November, and that this election be held under rules prescribed by congress.

Under local laws, certified returns are sent to the county seat of each county; under the enabling act they should be sent to Santa Fe. But, nevertheless, many election boards sent the certified returns to the county seats of their respective counties.

There are said to be indications of fraud and bribery, and altogether it is believed enough of a showing can be made to persuade President Taft to withhold the proclamation and influence congress to order a new election.

Farmers Protect Quail.

Manhattan, Kan., Nov. 23.—Farmers all over Kansas are organizing "no-hunting clubs" to save the quail. An effort was made by the State Grange to have a law passed by the last legislature allowing no open season on quail. The Grange failed in that, but succeeded in having the season reduced from a month to two weeks and at the annual meeting the "no-hunting clubs" were proposed and now in every county where there is a Grange the clubs have been organized.

A Thanksgiving Showing of Genuine Cluny Lace Pieces

Our showing of Cluny lace pieces is more extensive and interesting than ever. Not only are the designs more beautiful, but the values we offer are exceptional.

It will be advisable to select from this showing as early as possible since Cluny pieces have always been in great demand for Christmas gifts and the assortments will be less complete later in the season. Worth remembering, is the fact that it will be impossible for us to duplicate some of the pieces, especially those novelties made entirely of Cluny lace.

Upon request we will lay aside selections until desired.

In the showing are:

Doilies, from 25c to 75c. Center pieces and lunch cloths, from $1 to $10. Table cloths, from $12.50 to $15. Scarfs, from $4 to $9.

(Center Aisle)

Community Silverware Should be on the Thanksgiving Table

Because it has quality, beautiful designing and proper balancing and because it will retain these essential features for years—the maker and this store guarantee that Community goods, excepting knives, will give perfect satisfaction for 50 years in ordinary family use. No other silverware can do more. The prices are not excessive it costs in fact but little more than the best single plate.

Four distinct and beautiful patterns are carried in stock; they are the Avalon, the Flower-de Luce, the Classic and the Louis XIV.

What Community Silver is

PLATE—Community silver is made only in a plate heavier than triple—"triple-plus" we call it. It is a veritable armour plate of pure silver which in ordinary use will wear a life-time.

WORKMANSHIP—The unusual excellence of Community silver is made possible by the use only of the best materials, and by the employment of the most skilled workmen. Each piece receives the most careful attention.

DESIGNS—Community silver looks like Sterling. Each piece is the work of an artist and possesses the true beauty, the individuality, the depth and delicacy of ornament and the superior finish usually found only in the best Sterling. Every Community silver design is up-to-date.

GUARANTEE—Every piece of Community silver, except knives, is absolutely guaranteed to last full 50 years of ordinary service.

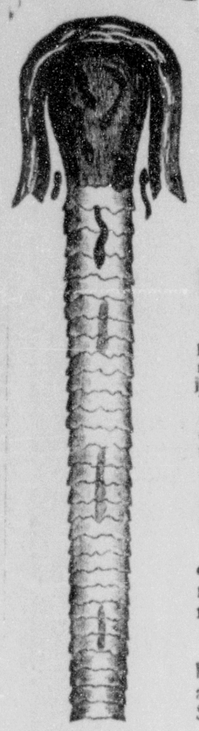
HUMAN HAIR ROOT

Showing Dandruff Germs At Work



WYETH'S SAGE AND SULPHUR HAIR REMEDY

Kills the Dandruff Germ and Makes the Hair Grow

Restores Gray Hair to Natural Color

FEW people are aware of the number of Dandruff Germs that infest the human hair and scalp. The germs which locate themselves in the follicle or sack which envelopes the root of the hair, spend a lazy existence in sucking up the juices which should go to keep life and strength in the hair. These germs cannot be seen by the naked eye, but with a magnifying glass of from 300 to 400 diameters the spores of this hair destroyer may be seen in masses, clinging to the hair.

DANDRUFF, ITCHING OF THE SCALP AND FALLING HAIR ARE A SURE SIGN OF DESTRUCTIVE GERMS.

Wyeth's Sage and Sulphur Hair Remedy not only kills the dandruff germs and prevents baldness, but it also **restores faded and gray hair to natural color.**

Don't Experiment With Old Fashioned Hair Dyes

but save your hair and restore it to natural color and luxuriance by using Wyeth's Sage and Sulphur Hair Remedy.

Druggists are authorized to sell Sage and Sulphur under guarantee that the money will be refunded if it fails to do exactly as represented.

PRICE 50c AND $1.00 AT ALL DRUGGISTS

WARN FOREIGNERS TO LEAVE NANKING

Wu Ting Fang Notifies All Consuls Bombardment Will Begin.

WILL ATTACK BY LAND AND SEA

Washington Expects Most Decisive Battle of Rebellion—Both Sides Alarmed Lest Great Powers Intervene.

Shanghai, Nov. 23.—Wu Ting Fang, director of foreign affairs, has notified the consuls that the bombardment of Nanking will begin soon. He warns them to withdraw their respective countrymen from that district.

Nanking, Nov. 23.—The revolutionary forces are making rapid preparations for the bombardment of Nanking. These will be completed with the arrival of ten warships on the way to this place. An attack will be made on the city simultaneously by land and sea.

Within the city walls 11,000 men hold a strongly fortified position. They are well supplied with arms and ammunition, but they are poorly provisioned. The former Chinese minister to Japan, Tsao, a warm personal friend of Chang's, has been endeavoring to induce him to surrender, but the commander is obdurate. Tsao, who is the guest of President Bowen of Nanking University, has not yet given up hope of winning over the Manchu general.

Washington, Nov. 23.—Advances of the rebel forces, both naval and land, toward Nanking, where it is expected the decisive battle of the present rebellion will be fought, were reported to the navy department by Rear Admiral Murdock, commander-in-chief of the United States Asiatic fleet, which is looking after foreign interest in Chinese territory.

Several of the rebel gunboats which have been lying at Chinkiang, he reported have sailed toward Nanking, doubtless to assist in the operations against the imperial forces there. About 20,000 rebel troops now are marching for the expected battle. The majority of these troops are declared to be well drilled. The reports state that the city probably will be defended.

Great Britain, Germany and Japan each have a vessel at Nanking, and these, together with the American vessels there, are deemed sufficient to give adequate protection to foreign interests. The United States torpedo boat destroyer Barry and the cruiser Albany reached Nanking and relieved the New Orleans, which went to Shanghai. The collier Nanchen is also at Nanking. The gunboat Helena left Wu Hu for Hankow, making stops at river ports on the way.

Personal conferences between the secretary of state, secretary of war and secretary of the navy gave rise to the surmise that the China situation was under discussion, but no statement was vouchsafed.

Both the Chinese government and revolutionary leaders are desperately alarmed at the possibility of foreign intervention in their struggle.

MAKE WAR ON THE COTTONTAILS

In Franklin County, Kansas, They Organize Clubs to Exterminate Bunny.

Ottawa, Kan., Nov. 23.—The annual Franklin county war on rabbits has begun. The farmers have organized their annual hunts to exterminate the rabbits which cause hundreds of dollars of damage to the crops and the orchards each year. The Cotton Tail club of the Rock Creek neighborhood south of Ottawa has held its annual hunt and killed 654 rabbits. Two sides were chosen and the losing side will give an oyster supper to the winners, December 8. Ralph E. Page, county attorney, won the cash prize for the largest number of rabbits killed. He shot 35. The Richter neighborhood club killed 240. The winner of the prize in that vicinity killed 55.

New Oil Field Located.

Tulsa, Ok., Nov. 23.—Two oil wells were struck in the new Perryman pool, five miles south of Tulsa. One of the wells is estimated to be making 1,000 barrels a day and the other 900 barrels. Excitement is running high among oil men here, as the find is one of the biggest yet made.

Y. M. C. A. to Build.

Springfield, Mo., Nov. 23.—The immediate construction of a new $100,000 Y. M. C. A. building to replace the structure burned last March was agreed upon by the board of directors who announced the purchase of a $16,000 tract of land for the building site.

Hurt in a $150,000 Fire.

LET HARVESTER TRUST SUFFER

Attorney General Major Opposes Remission of Fine.

PUNISHMENT SHOULD BE SEVERE

Reply Filed to Efforts of International Company for Reduction of Penalty or Reopening of Case.

Jefferson City, Nov. 23.—Attorney General Major has filed a reply to the efforts of the International Harvester company of America to have its fine of $50,000 imposed by the supreme court, last week, reduced to a nominal fine, or no fine at all, and also, its efforts to get the case reopened or again reviewed by the court. The reply is an argument that the punishment should not be changed or a rehearing granted. The attorney general says the basis of the prosecution is not the particular prices charged by respondent for its products, but its purpose and determined effort to suppress competition, its success in this respect and the illegal methods employed. The conduct of the harvester company, he says, has been in no sense enviable or commendable. In the first place, he says, the company set out with the fixed purpose of violating the anti-trust laws and destroying that which the law demands shall be preserved. To accomplish this they willfully resorted, he charges, to schemes, subterfuges and condemnable methods to deceive and delude the public and courts and other officials. He concludes:

"We respectfully submit that the judgment in this case is not harsh and that the punishment is not excessive. If trusts and combinations are to be destroyed and these evils to be eradicated from our system, it will be done only through the aid and decrees of such courts as deal with them as does this illustrious tribunal. It will not be done by assessing punishments and entering decrees that are satisfactory to the trusts. Unless the punishments are severe enough to cause them to complain and to occasionally writhe, they will continue their nefarious practices."

Death to Two Joy Riders.

Oklahoma City, Ok., Nov. 23.—Geo. Brandon, a druggist, and a young woman whose identity is unknown, were killed shortly after midnight in a motor car accident. Charles D. Fritz, a salesman, and Miss Margaret Matthews of Terrell, Tex., were with them in the car and were both badly injured. Fritz regained consciousness and the young woman from Texas will recover. The four were out for a midnight ride.

Missouri Hotel Burns.

Springfield, Mo., Nov. 23.—The Iowa hotel at Koshonong has been destroyed by fire. Nearly all the guests lost their clothing and several barely escaped with their lives. Benjamin Johnson of St. Paul was overcome by smoke and was carried from the building unconscious. Dr. W. N. Russell of West Plains escaped by climbing from the window of his room to a tree.

Wants "Anti-Tar" Law.

Lincoln Center, Kan., Nov. 23.—A movement has been started here to have Lincoln County take the lead in an effort to discourage any future "tar party" outrages in Kansas, by amending the state law at the next session of the legislature so as to make the use of force in concerted insults upon wohanhood a felony.

ALL MICHIGAN IN GRIP OF RHEUMATISM

Scourges More Widespread Than Ever Before—New Cure That is Remarkably Effective, Quick, and Non-Injurious.

From many sections of the state have come alarming news of the extraordinary prevalence of rheumatism, which seems to be greater now than in any previous year.

At the same time comes the news of many remarkable cures from a remedy which has given astonishing results, both because of its quick action as well of its harmless nature, and we give it here for the benefit of our readers, after full investigation as to its reliability.

As an example of the astonishing results of this remedy, Mr. J. C. Cole, of Flint, Mich., the well-known tailor, who was in bed with muscular rheumatism for almost six weeks, and his limbs were so sore that he could not touch them. He decided on Friday to take "Fuss." The following Monday three days later, he was at his store attending to business, and has been there every day since. We have collected details of over 1,000 cures of this remarkable remedy. "Fuss," which is the name of the cure, came into prominence some time ago because of its adoption for the national fight against rheumatism. It gives immediate relief, is guaranteed under the pure food and drugs act of congress, and contains no morphine, chloral, cocaine, ether, chloroform or any narcotic. The pains and stiffness in the muscles and joints simply disappear. It is equally successful against gout, lumbago and kidney trouble, and is a positive antidote for uric acid.

For sale by the Koch Pharmacy in Maryville and all leading druggists or sent prepaid on receipt of $1.00 or six bottles for $5.00. Fuss Remedy Co., Flint, Mich.
